Dear Brittney,

As you may know, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. Thanks very much for your e-mail below, but I don't think we arranged this meeting for Ambassador Yuan. I think it came directly through the Embassy. You'll therefore, be hearing directly from someone at the Embassy on this matter. But thanks very much all the same for your e-mail.

Kindest regards,  
Sean King

Ruth,

Thanks for your note below. Senator D'Amato and I were actually with Senator Hatch in New York last night, and Taiwan came up. Senator Hatch said, despite his schedule, that he'd be happy to have a sit-down meeting with Ambassador Yuan, in his office, at a mutually convenient time. He said I should reach back to you on the matter. Can I just put someone from Ambassador Yuan's office in direct contact with you?

Thanks so much,

Sean, thanks for the note. We've also been working with Ronnie Lu on this. Senator Hatch was able to meet with Ambassador Yuan earlier this year at a reception off the Senate floor. While he would enjoy meeting with him more frequently, his schedule has him stretched so thin that he is unable to meet again at this time. Sorry I couldn't be more helpful.
